

3d⁴design.

business & educational furniture

officefurniture

Choosing office furniture for your workplace should be a pleasure, not a chore.

3d4 design can offer:

- Furniture with a common theme
- The ability to match everything - desking, reception units, storage, conference and meeting furniture
- Super Fast Delivery - the majority of items shown in this book are available to you in just a few days

is the answer.

Quality

Quality features throughout the Opus range include:

- Sturdy 25mm work surface
- Attractive choice of finishes (shown on page 34)
- Durable 3mm ABS edging
- Choice of 30 desktop shapes for maximum flexibility
- 5 year guarantee on manufacturer's workmanship

Choice of finishes

A pleasing Light Beech is the standard finish and most items are carried in UK stock. Panel finishes are also available to order in Walnut, Light Grey, Birch, Oak, White Oak, White and Wenge. To see which ranges are available in which finishes please refer to the chart on page 34.

Fast Track Delivery in Beech

Light Beech is the standard finish and most items are carried in UK stock. Look for the tick column throughout the price list indicating quick delivery is available.

The OPUS Range

Nova	4-7
Opto Extra	8-9
Opto	10-11
Pedestals	12-13
Opto Meeting	14-17
Opto Conference	18-19
Ultima Conference	20-21
Forum	22-23
Combo	24-27
Libra	28
Kubo	29
Uno	30-31
Salvo	32-33

Quality, Choice, Value

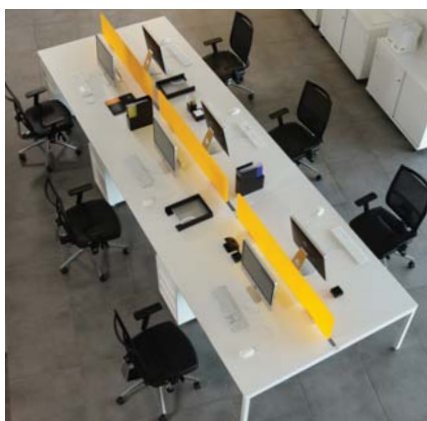

Planning & Finishes Guide 34

NovaBench

Beauty in simplicity. Nova combines clean and minimal aesthetics with great functionality.

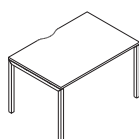

The Nova shared leg system keeps costs and assembly time down to a minimum. Recessed legs on all central locations make for clear, easy working. Three desktop options - scoop back for easy, low-cost cable management, tops with cutouts for large cable ports or straight tops for the ultimate in clean lines - all at the same price.

N.B. The furniture shown here is just a small section of the Nova range - please ask for our full Range Guide.

OptoMeeting

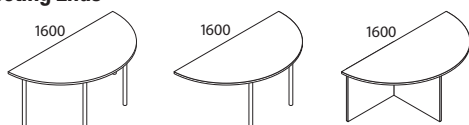

Meeting, greeting, training. A flexible modular system of all shapes and sizes.

Whether it's a meeting point on the end of a desk or a complete flexible training room requirement we've got what you need. Individual tables for exams or training – no problem; a conference for 20 – just push the tables together, add some half round ends for an instant result. Choice of 8 MFC finishes as standard or 7 veneer finishes to special order (POA).

OptoConference

Smart and businesslike, Opto Conference tables are perfect for when you need a touch of class on a modest budget.

All our Opto Conference tables come with 25mm tops, 3mm lippings, a sturdy timber panel base or pole legs with a metal underframe. For an added touch of class why not have a pedestal column base?

Opto Meeting Tables

KuboStorage

A versatile modular storage system complementing all the Opus ranges.

Buy the shelf unit arrangement of your choice, not forgetting units are stackable, and add doors, drawer inserts and file frames anywhere you want for total customisation. 18mm panels and tops, 1.5mm edging, fully finished 5mm back panels enabling the units to be used as space dividers. A choice of MFC or clear glass doors.

Planning & installation

Office planning

Increase the efficiency and workability of your office by making the most of the space available. Thanks to the wide variety of desk shapes and sizes in the Opus range, you can plan your layout the way you want it. If you need help and advice with the design of your office space, please speak to us, we will be glad to assist you in any way we can.

Installation

All furniture is delivered and professionally installed by our installation team. All packaging is removed leaving you to enjoy your new furniture with minimum disruption.
